**Managing Director**

**Date : January 2018**

# Brief Company Introduction

Only 50 years ago, Dubai was a sleepy hamlet on the shores of the Arabian Gulf that has transformed itself today, into a sprawling megapolis that is affectionately called “The Pearl of the Middle East”.

Beginning in 1993, All Metals Industries LLC (AMI) Dubai, UAE has been specializing in Corrosion Protection for over two decades. A strong mix of commitment and discipline supported by hard work has helped the company take great strides to be one amongst the Leaders in the industry, today.

## Our Specialities Include

- Surface Preparation , Blasting & Painting
- Hot Dip Galvanizing
- Guard Rail Systems Manufacturing

Painted Bollards (Qatar Petroleum Project)

# AMI Painting Activities

AMI has been active in specialized painting protection application systems for industries such as Oil & Gas, Petroleum, Construction, Chemical Plants, Agro Industries, Power Plants, Desalination Plants etc. AMI can also carry out specific interior steel related painting for villas, gates, decorative products etc. We are specialists in :
